look at 1920 census hit, more details for this subfamily. Father-in-law mentioned

Those on this branch are also children of George and Mary. Ran out of room above. :- ) 14!

1920 census lists her as "Marion R", born in PA but parents from Germany. See also 1900 census.

Extensive info on Tressa's ancestors is available online.

1920 census lists Lilly as born in England, as were her parents

Not the famous author, dates differ

See Naomi Kaiser page for descendants (Jeff Wilkinson is the maintainer)

I think he is still living. Ask mom if Geraldine Grieve is also still living.

1920 census possible hit lists him. Need to confirm. Kathy Wolfe mentions that Ralph King Grieve's boys were "Gene, Ralph, Bob, and Jim"

Got much of this data from the Wolf-Haines Family Tree on ancestry.com, <http://wc.rootsweb.com/cgi-bin/igm.cgi?op=GET&db=dwrf>
